Washington society is interested in the marriage in Philadelphia of Miss Gertrude Mack, daughter of the late John M. Mack, a wealthy contractor, of that city, and Lieut. Comdr. Henry C. Dinger, U. S. N., on Saturday, in St. Dominic's Roman Catholic Church. The date of the wedding was advanced, as Commander Dinger expects a new assignment soon.

The bride's sister, Miss Frances Mack, was her only attendant, and Joseph Mack, her brother, gave her in marriage. The best man was Frank Sadler, of New York, who, with Mrs. William Sadler and Mrs. Moulitz F. Westergren, went to Philadelphia from New York by automobile for the wedding. The ceremony was performed by the Rev. Lawrence J. Wall, rector of the church. A small reception followed at the home of the bride's mother, in Torresdale, after which Commander Dinger and his bride left for a brief honeymoon.

Commander Dinger has a wide circle of friends in Washington, where he was stationed for a number of years. He made his home with his mother-in-law, Mrs. William Sadler, in the Montana. **Miss Snodgrass
Bride Today of
Lt. Townsena**

The marriage of Miss Dorothy Snodgrass, daughter of Judge and Mrs. D. L. Snodgrass, of Chattanooga, and Lieut. John Dunham Townsena, U. S. A., which will take place in Washington this afternoon, will be marked by much simplicity of detail. The ceremony will be performed at 5 o'clock at the home of the bride's brother-in-law and sister, Lieutenant Commander and Mrs. W. Oscar Spears, U. S. N., at the Navy Yard, with the Rev. Dr. George C. Brunsahl as the officiating clergyman. Only relatives and a few close friends will attend the wedding and the informal reception to follow.

Miss Snodgrass, who belongs to a well-known Southern family of French descent, reached town a few days ago with her mother, and is staying with Lieutenant Commander and Mrs. Spears. She spent part of last winter in Washington with her sister.

Lieutenant Townsena is a member of the distinguished New York family. The wedding has wide social interest, enhanced by the fact that it is a wartime romance, and preparations for the ceremony were hastened by the uncertainty of the bridegroom's orders.

The house will be simply but charmingly decorated with palms and cut flowers for the ceremony this afternoon. The bride, who will be given in marriage by Lieutenant Commander Spears, will wear a chic traveling suit of dark blue serge, with a small hat of blue straw. She will be unattended. Lieut. C. C. Hartigan, U. S. N., will be best man for Lieutenant Townsena. The future plans of the bride and bridegroom are as yet unsettled.

Davison, chairman of the Red Cross Council, to make a survey of the needs of that country. One commission is already at work in France and another is on its way to Russia. The forces which go to Roumania will begin at once the actual relief of refugees in addition to making a general investigation of conditions. A special appropriation of \$200,000 has been made for emergency relief of the Roumanian people.

Henry Watkins Anderson, a prominent lawyer of Richmond, Va., heads the Roumanian commission.

Mr. Glasgow is an attorney of this city, and is one of the leaders of his profession. He has lived for more than twelve years in London, where he maintained extensive offices.

Henry Stutz, of New York, will be best man for his brother. The Rev. Dr. Roland Cotton Smith will perform the ceremony.

**MONTH AS FARM HAND
TOO MUCH FOR YOUTH**

One month as a free lance farm hand was enough to satisfy the expanding ambition of Edward Joseph Blais, a fifteen-year-old orphan of Providence, R. I., and today he is en route back home, thoroughly "fed up" on hoeing potatoes and picking worms off tomato vines.

Blais, who had been living with an older brother, a huckster in Providence, was picked up at the Arlington Experimental Farm, where he applied for work last Friday, and was taken to the House of Detention.

To Sergeant Stevens he said he had left home about a month ago to work as a farm hand, and had since worked several places in Pennsylvania and Maryland. But he admitted he was tired of working with strangers and was glad to take a train for Providence, after his brother had telegraphed money.

**RAIL EARNINGS FOR MAY
REVEAL BIG INCREASE**

Railroad earnings for May, reported today by the Interstate Commerce Commission, bear out the commission's recent refusal to grant rate increases on freight. The 127 principal lines earned \$22,770,548 in May, as against \$20,931,795 for the same month in 1916.

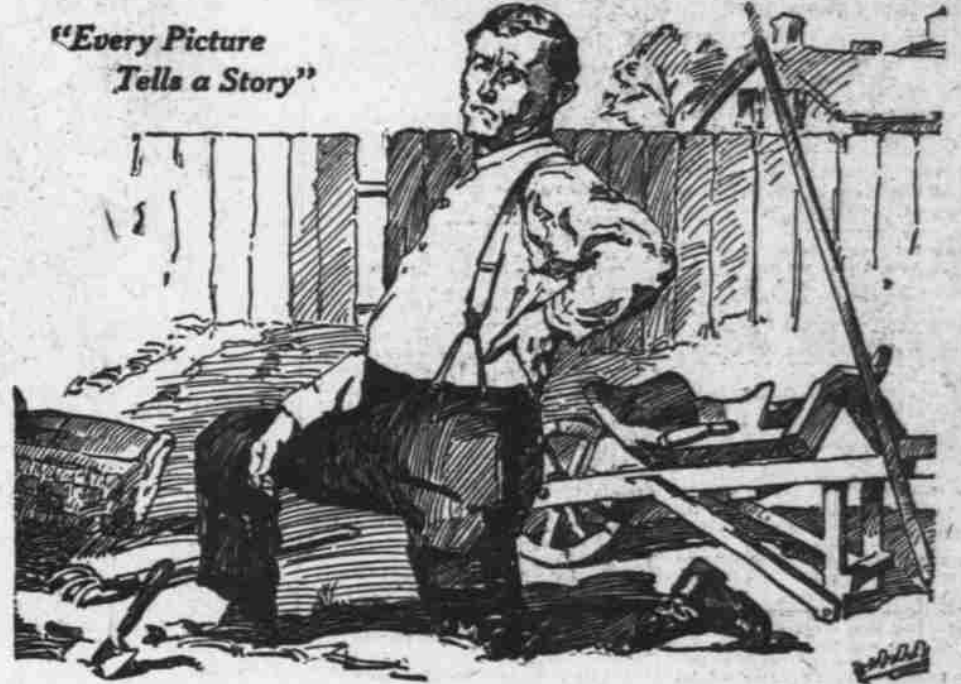

The roads of the Eastern division showed a loss of about \$5,000,000 under 1916, but Western and Southern lines more than overbalanced the shortcoming.

DEATH HAS BIG DAY. NEW YORK, July 23.—Eight drowned, two killed in an auto wreck, one injured by jumping from Brooklyn bridge, thirty-five hurt by a runaway horse at Coney Island. This is New York's casualty list today, the result of Sunday's pleasure seeking.

**SOCIALISTS DEFER
CONFERENCE AGAIN**

STOCKHOLM, July 23.—Another postponement of the main sessions of the International Socialist Peace Conference was announced today. The joint sessions will open on September 1, under present arrangements, but the belief is widely held that it will be even later before the conference is begun.

SURVEYOR DUE TOMORROW. The new Coast and Geodetic Survey steamer Surveyor, built by the Manitowoc Shipbuilding Company, Manitowoc, Wis., will reach Washington on her maiden voyage tomorrow morning. Secretary of Commerce Redfield and officials of the Coast Survey will be on board, having gone to Hampton Roads to inspect the vessel.

Mrs. Charles White, 420 M Street S. E., says: "I had a great deal of trouble with lame back and heavy, dull pain in the small of my back kept me in constant misery. Many mornings, I awoke feeling more tired than when I went to bed. I was troubled by shortness of breath and dizzy spells came over me when I had to put my hand on the wall to keep from falling right over. Three boxes of Doan's Kidney Pills, procured from Hawkins' Drug Store, greatly benefited me."	D. H. Zirkle, Lieut. city fire dept., 2020 Fourteenth St. S. E., says: "I caught cold in my kidneys a year ago and it caused backache. When I first got up in the morning, I had lameness and soreness in the small of my back. Throughout the day there was a heavy, dull pain in my kidneys. I was troubled by a too frequent action of my kidneys, especially at night, and I suffered from severe headaches. I got Doan's Kidney Pills from Haines' Drug Store, and three boxes cured me."	Mrs. B. Vogelsberger, 2015 Georgia Ave. N. W., says: "My back gave me considerable trouble. I had a constant, dull aching across my kidneys and it made me feel miserable all over. Mornings I awoke, feeling all tired out and I never seemed to get enough sleep. Dizzy spells came over me and I came nearly falling right over. Two boxes of Doan's Kidney Pills, which I got from the People's Pharmacy cured me."

Wm. F. Shelton, 129 Anacostia Road, says: "I was a sufferer from lumbago and often I had terrible backaches, which stopped me from doing my work. I found my back so stiff and lame on getting up in the morning that I sometimes had trouble in bending over while dressing. Everything I had used had failed until I took Doan's Kidney Pills. They gave me great benefit."	Mrs. William Goetz, 1123 Fourth St. S. E., says: "My kidneys were disordered and I suffered from all sorts of symptoms of kidney trouble about three years ago. Mornings, I had lameness across my kidneys and I had to be up quite awhile before the lameness in my back eased up. I awoke all tired out and didn't have any energy. The principal symptom of the complaint was bladder weakness. I heard about Doan's Kidney Pills and one box cured me."	W. H. Murray, 755 Tenth St. S. E., says: "I have found Doan's Kidney Pills to be just the thing for rheumatic pains. That has been my trouble more or less for a long time. Whenever I feel an attack coming on, I take Doan's Kidney Pills and they give me quick relief. I have recommended them to many of my friends and they, too, have found them to be all that is claimed for them."
